# Free Consultation

We start with a free consultation to meet the business owner or representative, understand your company, current challenges, and goals. We'll introduce our services, share relevant expertise, and suggest possible solutions.

If we agree to move forward – we sign a Service Agreement that includes everything you need.

State of \_\_\_\_\_

## SERVICES AGREEMENT

This Services Agreement (this "Agreement") is entered into as of the \_\_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_, by and among/between:

**Service Provider(s):** \_\_\_\_\_ [Name], located at \_\_\_\_\_ [Address] (collectively "Service Provider") and

**Buyer(s):** \_\_\_\_\_ [Name], located at \_\_\_\_\_ [Address] (collectively "Buyer").

Each Service Provider and Buyer may be referred to in this Agreement individually as a "Party" and collectively as the "Parties."

**1. Services.** Service Provider agrees to provide and Buyer agrees to purchase the following services for the specific projects described below:

Description of Services	Number of Projects	Price per Project

02

## Technical Task

We gather requirements, define clear goals, and prepare a detailed roadmap.

This includes wireframes, functionality, and timelines – all documented and attached to the Service Agreement

03

## Design

Our designers create clear, user-friendly UI/UX concepts tailored to your goals.

We include several rounds of redesign – free of charge – until you're fully satisfied with the result

## — Our Work Process

# 05 Testing

Once development is complete, we move to testing – carefully checking every feature for bugs, performance, and compatibility.

**You'll be able to test everything yourself in a staging environment before the final launch**

# 04 Development

After the design is approved, our developers bring it to life with clean, scalable code.

**We follow best practices, run code reviews, and ensure smooth integration across all parts of the system.**

06

# Launch

Once everything is tested and approved, we move to launch.

We deploy the product to your live environment, making sure all features work seamlessly, content is in place, and performance is optimized

07

## Post-Launch

The launch is just the beginning – we remain available to support you.

For two weeks, we provide free assistance: monitoring performance, resolving any issues, and ensuring everything works smoothly.

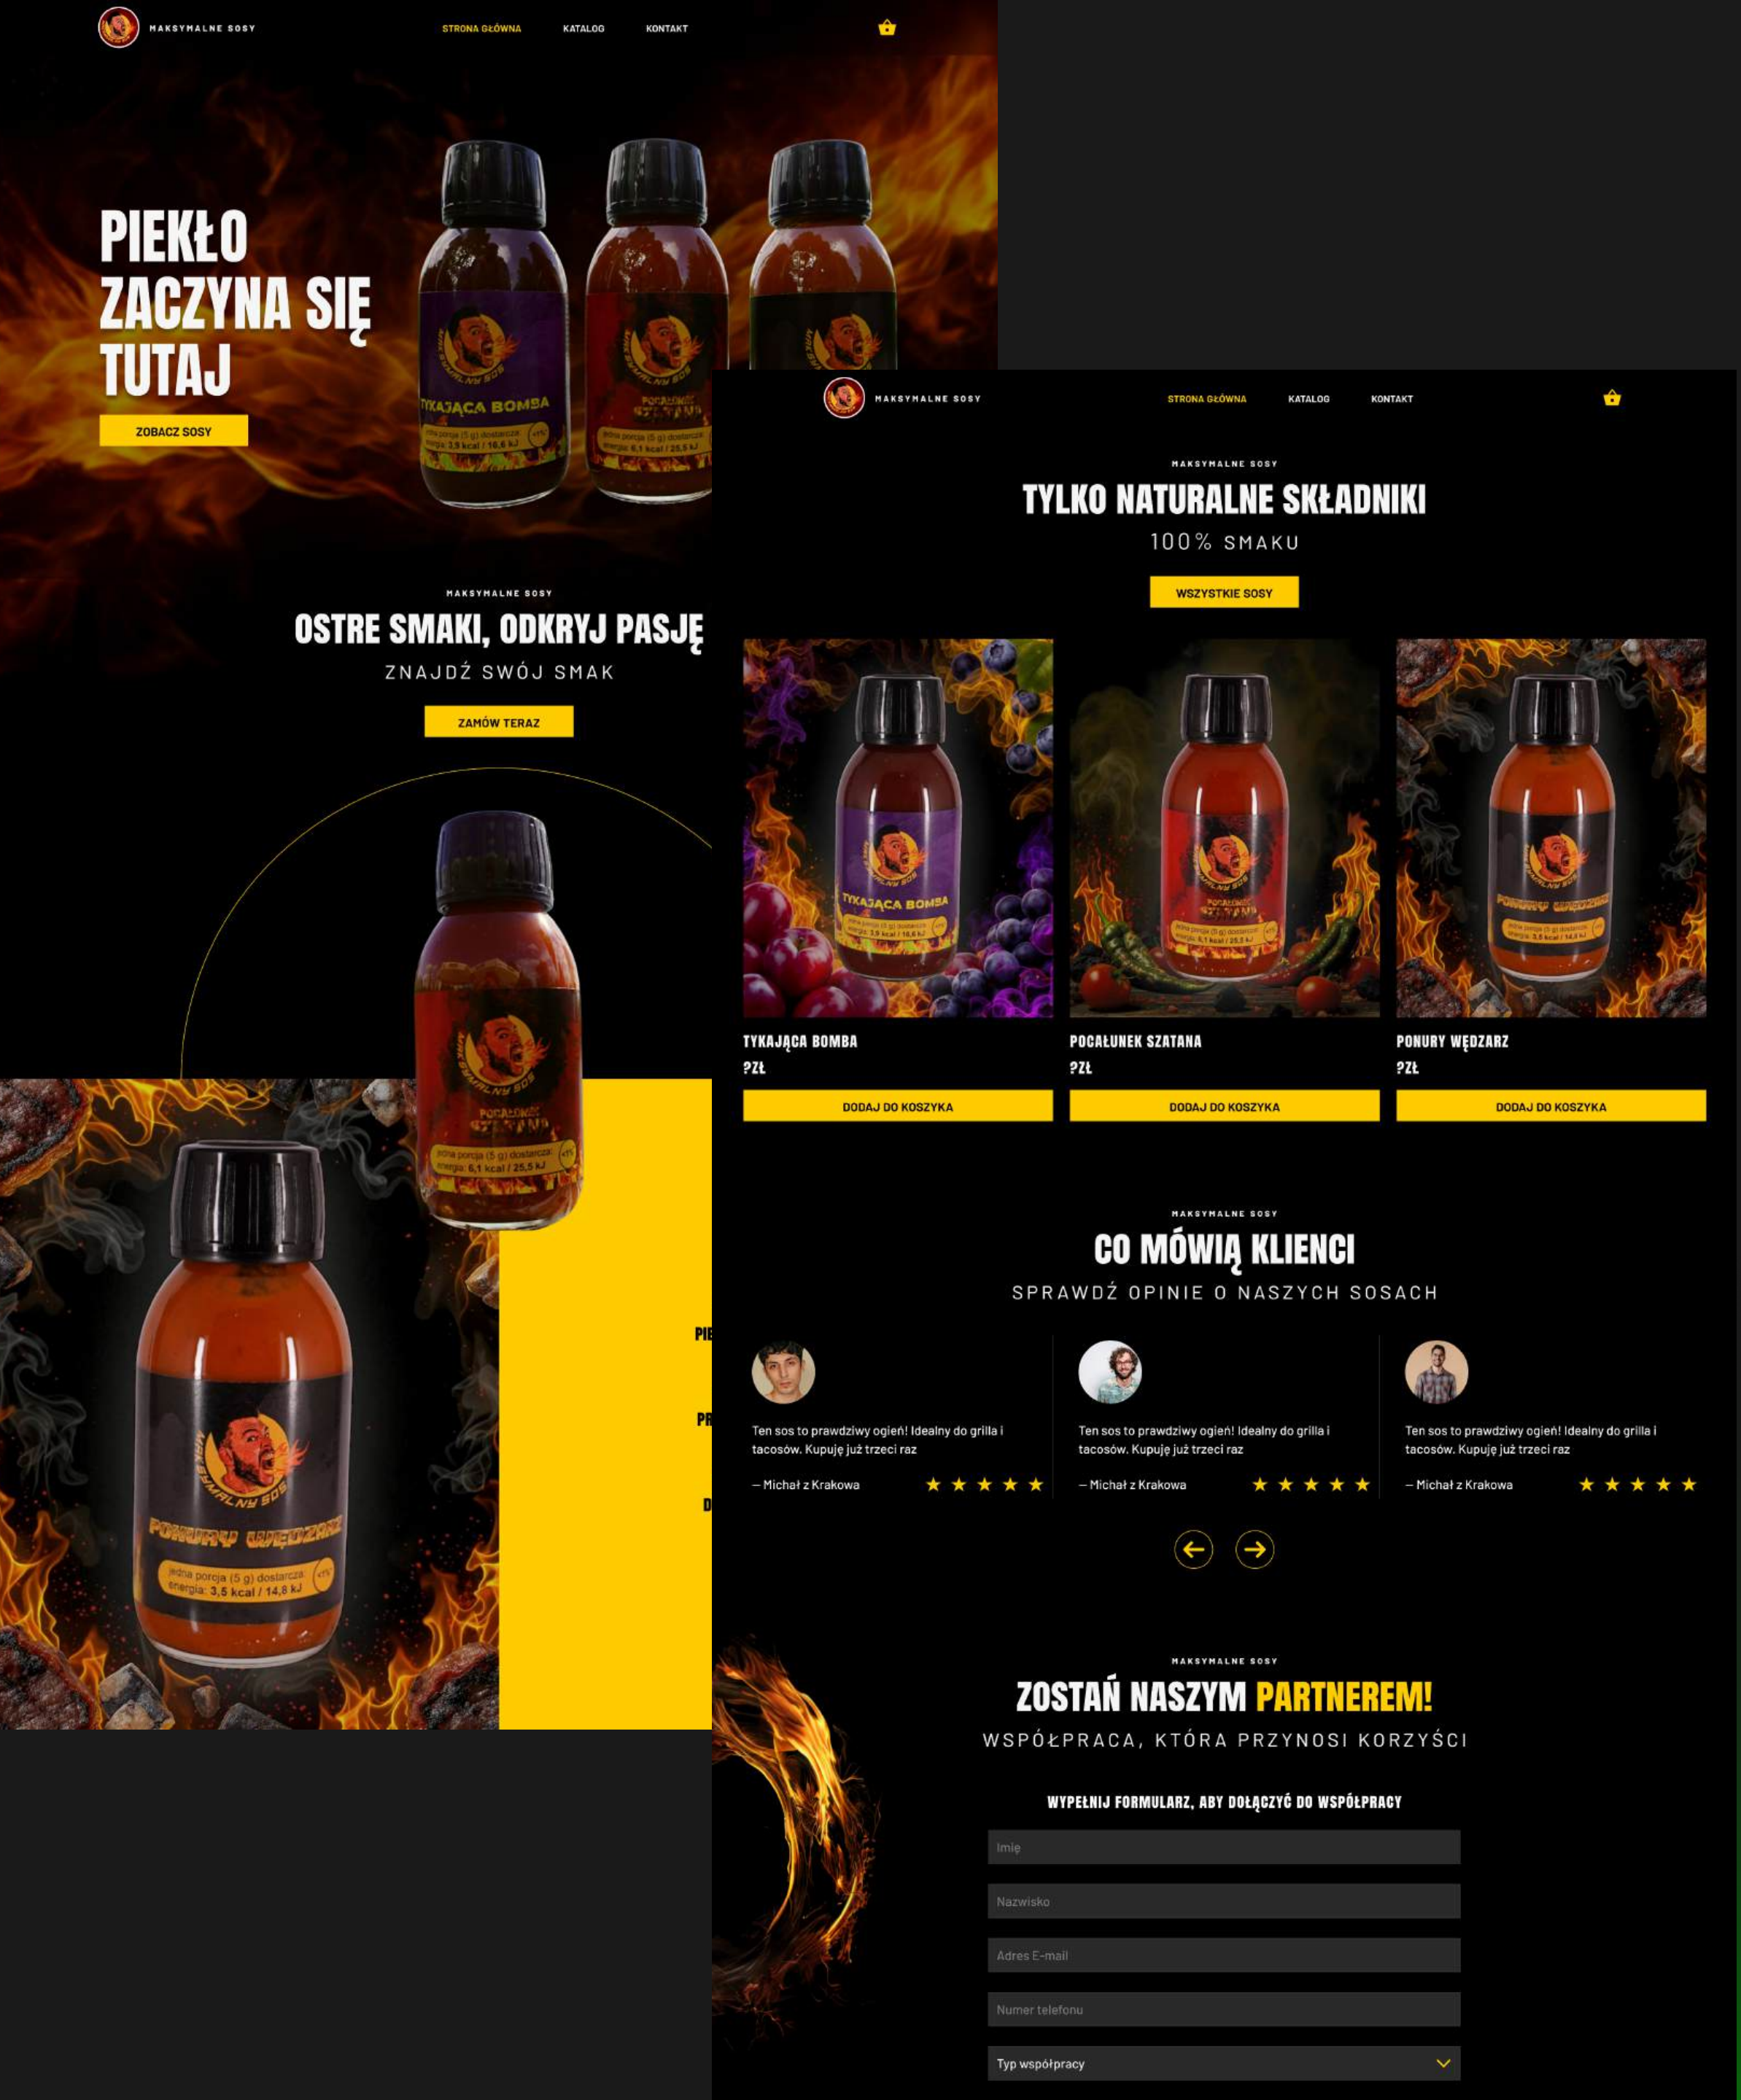

We also gather your feedback to plan valuable improvements for future iterations.

Description

Paragraph

Nie wiesz, który sos wybrać? A może po prostu chcesz mieć wszystko? Pakiet Maksymalny to trio, które pokaże Ci całą gamę smaków i ostrości – od aromatycznego dymu Wędzarsza, przez słodko-piekielną Bombę, aż po brutalne uderzenie Szatana. To nie jest zestaw dla każdego. To zestaw dla tych, którzy chcą przeżyć całą przygodę. Doskonali na prezent, do testów z przyjaciółmi albo po prostu do własnej kuchni – jeśli lubisz mieć wybór i ostrość na każdą okazję.
